Memorial Service for fallen USS Liberty Crew

June 8, 2017 – 12:00 Noon

Arlington National Cemetery, Alexandria, VA

The crew of the USS *Liberty* is the most decorated crew since World War II. It is among the most decorated crew for a single engagement in the entire history of the United States Navy. Yet, the attack has never received a full investigation, as required by law. Furthermore, the US Government, to protect its relationship with Israel, has lied to the American public calling the attack accidental and ordering the crew to never speak of the attack to anyone. As a result, the crew has suffered 50 years of bigotry for speaking the truth as the attack was a deliberate attempt to murder 294 Americans (288 sailors, 3 marines, and 3 NSA civilians). We need you to contact your local media outlets (to include college newspapers), student veterans organizations and elected representatives in federal, state and local governments and ask that they speak with and interview survivors of the June 8, 1967 unprovoked Israeli attack on the USS Liberty killing 34 and wounding 174 American servicemen. After 50 years justice has still been denied the men of the USS Liberty. For more information, go to <http://www.honorlibertyvets.org>
